# LEGENDARY TABASCO® BRAND FLAVORS

It's easy to add the famed flavor of TABASCO® Original Red Sauce to your foodservice and consumer products. Ranging from dry to liquid across a range of heat levels, our seven ingredient solutions adhere to the time-honored development process of our Original Red Sauce. With these, you can enhance existing products or inspire new ones regardless of your operational requirements. For all your seasonings, base solutions, pickling, breading applications and more, just **trust the experts in spice to light things up.**
